The boys got off to a flying start and to lead 12 – 0 early. A couple mistakes and penalties saw it back to 12 – 10 at half time. Boys dug deep in the second half for a 22 – 10 lead. More penalties and possession saw the Black Cats get try to make it 22 – 16 but the boys were always in control and the final score 22 – 20 was not a true reflection of the game.

13 Girls League Tag V De La Salle 10 – 8

These girls were ahead and on top in the first half courtesy of a couple of tries to lead 10 – 4 at the break. But what a tough second half where the opposition were coming back hard with a try but missed the sideline conversion. We were still leading 10 – 8 and managed to hold on to secure a great premiership win for these girls.

14 Silver V Renown United 10 – 6

These boys are real fighters. Up 4 – 0 in the first half, their half back broke his leg, but these boys don't give up. Renown got back to 4 all and then in the second half things heated up. We scored again and got a winning lead of 10 – 6. Hung on despite a large penalty count against us and completing the game with 11 players on the field due to two players being sin binned.

Open Age Silver V Renown United 10 – 6

This game was an arm wrestle from the opening whistle. Renown got the early lead, but our boys stuck to it and got into the hard grind. Late in the second half, the game was getting tense and a few emotions were getting the better of some players who were sent off. But our boys were able to maintain a hard fought 10 – 8 lead until the final whistle to take the game.
